**WESTBROOK MANUFACTURING**  
**GENERAL TERMS AND CONDITIONS OF SALE**

<b>Product Warranty</b>	All products furnished by Westbrook Manufacturing are warranted to be free of manufacturing defects for a period of one (1) year from the date of shipment. Any item found to be defective during that period will be replaced at no charge F.O.B. our plant in Houston, Texas, provided (a) that the product was used as recommended and in accordance with approved installation and operating practices; (b) that the failure resulted from a manufacturing defect and not from damage due to alteration, neglect, corrosive, abrasive or other wear normally to be expected in the service involved; (c) that the product has not been altered or modified; and (d) that written notice of such defect is forwarded to our offices during the one (1) year period. No labor costs or other expenses will be assumed. The Uniform Commercial Code or the Texas statutes adopting the Uniform Commercial Code shall not apply. This express warranty is in lieu of and excludes all other warranties, guarantees or representations, expressed or implied. There are no implied warranties of merchantability or of fitness for a particular purpose.
<b>Purchaser's Remedies</b>	The Purchaser's remedies for any product furnished by Westbrook Manufacturing that is found not to be in conformity with the terms and conditions of the contract because of breach of contract, breach of express or implied warranty or negligence shall be limited exclusively to product replacement or, at our option, repayment of the sales price of the product. Westbrook Manufacturing shall not be liable for additional claims (based on breach of contract, breach of express or implied warranty or negligence) for any other damages, whether direct, immediate, foreseeable, consequential or special, or for any expense incurred by reason of the use or misuse, sale or fabrication of products which do or do not conform to the terms and conditions of the contract.
<b>Pricing</b>	Prices and other terms of sale, including payment, are subject to change without notice. Unless a written provision, approved by corporate management appears in the quotation or order acknowledgement, all prices can be withdrawn or changed without notice at any time. We reserve the right to correct stenographic or clerical errors when these are discovered.
<b>Order Acceptance</b>	All orders are subject to approval by Westbrook Manufacturing's Credit Department prior to acceptance. No assignment of the Purchaser's rights may be made without the express written consent of Westbrook Manufacturing's management.
<b>Remittance Terms</b>	All accounts are payable at par in Houston, Texas in United States funds, free of exchange, collection or other charges. If in the sole discretion of Westbrook Manufacturing, the financial condition of the Purchaser requires it, we retain the right to require full or partial payment in advance of shipment. Unless otherwise indicated, payment terms are NET 30 DAYS.
<b>Partial Shipments</b>	Westbrook Manufacturing reserves the right to make partial shipments upon occasion and to invoice for all shipped material. These invoices shall be due and payable as provided in these Terms and Conditions of Sale. In the event that invoiced amounts become overdue, Westbrook Manufacturing shall be entitled to suspend work and avail itself of all legal remedies.
<b>Taxes</b>	Any sales, use, occupancy, excise tax or other tax of any nature, (federal, state or local) for which Westbrook Manufacturing shall become legally liable, either initially or through the failure of the Purchaser to pay such levy, shall be added to and shall be in addition to the price quoted and the Purchaser agrees to pay these charges.
<b>Shortages and Damage in Transit</b>	All Westbrook products are delivered F.O.B. our Houston warehouses. Claims for shortages must be made in writing to our offices within ten (10) days after the receipt of shipment. Loss or damage to materials in transit shall be the responsibility of the carrier.
<b>Delivery Promises</b>	Delivery promises are estimated as closely as possible and Westbrook Manufacturing will make every reasonable effort to ship within the time promised. However, no guarantee can be made to do so and we assume no liability for failure to ship when promised. Delivery commitments are made predicated on availability of existing or raw stock and factory workload and these factors can change dynamically.
<b>Contract Cancellation</b>	All accepted orders are subject to cancellation or requests by the Purchaser to suspend or delay work only upon written notification and with our written consent, subject to agreement and/or the payment of an adjustment charge. Orders for special (Non-Shelf) items may be changed or cancelled only upon our acceptance of written instructions from the Purchaser and full agreement by the Purchaser for payment of material used and work performed.
<b>Material Return</b>	Westbrook Manufacturing will not accept the return of any products of our manufacture without our prior consent and the issuance of a Returned Material Authorization (RMA). All returned goods are subject to our inspection to confirm that such material is of our manufacture and is in resalable condition. All items returned are subject to a handling charge; in and out freight charges and any charges for needed reconditioning, unless otherwise agreed to by Westbrook's management.
<b>Patent Infringement</b>	The Purchaser agrees to indemnify and hold Westbrook Manufacturing harmless against any monetary judgement for damages and/or costs which may be rendered against Westbrook in any suit alleging patent infringement for any product supplied under contract and made in accordance with a design or specification supplied by the Purchaser.
<b>Governing Law</b>	All contracts accepted by Westbrook Manufacturing shall be governed by, construed and enforced in accordance with the laws of the State of Texas.
<b>Performance Waiver</b>	The failure of Westbrook Manufacturing to insist upon the performance of any of the terms, covenants or conditions of any contract, or to exercise any of our rights under the terms of any contract, shall not be construed as an outright waiver or relinquishment of the future performance of any other terms, covenants or conditions. In addition, such lack of insistence shall not be deemed to be a waiver or relinquishment of any other term, covenant or condition existing under the contract terms.
<b>Special Dies, Tools &amp; Patterns</b>	Special dies, tools and patterns produced by Westbrook Manufacturing in order to manufacture item(s) covered by a contract shall remain our property. The payment of any die, tool or pattern charge by the Purchaser shall not be construed as giving any right, title or interest in such items. Westbrook Manufacturing shall not be responsible for the retention of any specially produced die, tool or pattern on which no orders are received for a period of twelve (12) months or more.
<b>Force Majeur</b>	Any delay in, or failure to comply with the stated performance of a contract by Westbrook Manufacturing shall not constitute default or give rise to claims for damages if such delay or failure is caused by events beyond our control. These events shall include, but not be limited to: acts of God or the public enemy, expropriation or confiscation of facilities, compliance with any governmental authority, acts of war, rebellion or sabotage, embargoes or other export restrictions, fire, flood, explosions, accidents, breakdowns, riots or strikes and other concerted acts, direct or indirect, of workmen, or any other causes not within the direct control of Westbrook Manufacturing and which, by the exercise of reasonable diligence, Westbrook is unable to prevent or mitigate.
<b>Purchaser's Acceptance of These Conditions</b>	All contracts accepted by Westbrook Manufacturing shall be subject to the Terms and Conditions stated herein, or to those referred to in Westbrook Manufacturing's Price Schedule, Quotations and Order Acknowledgements and to no others whatsoever. No waiver, alteration or modification of these Terms and Conditions shall be binding on Westbrook Manufacturing unless agreed to in writing and signed by an authorized representative of our firm.

**ITEMS FURNISHED BY WESTBROOK MANUFACTURING ARE PRODUCED IN COMPLIANCE WITH THE REQUIREMENTS OF THE FAIR LABOR STANDARDS ACT OF 1938 AS AMENDED.**

# WESTBROOK

## RETURN POLICY

The following terms and conditions have been established to govern the return of all Westbrook products:

1. No material may be returned without our express permission and prior consent, signified by the issuance, customer approval and the return of our RMA (Return Material Authorization) to our corporate offices.
2. All returned material must be of Westbrook's manufacture and be in new and resalable condition. We reserve the right to impose a re-conditioning charge for all material that does not meet these criteria.
3. Only standard "Shelf" items qualify for return, i.e., items that are normally carried in our inventory. No credit will be allowed for specially manufactured items.
4. Westbrook personnel will inspect all material returned to verify the quantity and condition and the results of this inspection are final.
5. In and out freight charges paid by Westbrook, as well as cash discounts taken will be deducted from any credit applicable.
6. Any credit issued will be a merchandise credit, applicable to future purchases of material.
7. The standard re-stocking charge shall be 25% of the invoiced price of the material returned, unless, of course, the error is ours.
8. Westbrook shall issue and transmit an RMA to the requesting firm, authorizing the return of any material. Activation of this RMA requires the signature of an authorized member of the organization requesting the material return and the return of the signed RMA to our organization. Issued RMA's are valid for a period of 120 days from the date of issue.
9. All material returned should reference the appropriate RMA number to ensure proper identification.
10. Westbrook personnel are responsible for contacting the company returning products in the event that any problems are encountered in the return inspection process and for resolving any problems. This contact shall be documented to ensure that all parties are advised of any potential problems.
11. We reserve the right to waive or modify any of the conditions stated above.

## EXTRA'S SWAGE NIPPLES AND BULL PLUGS

### PLAIN ENDS/SQUARE CUT

When referring to "Plain Ends" or "PE" on Swage Nipples and Bull Plugs, it is necessary to determine if plain ends/square cut for socketwelding or beveled ends for butt welding are required. Each Swage Nipple or Bull Plug with plain ends/square cut specified, must be resized, square cut and gauged to insure a proper fit and installation. For this added service, the following adders apply (for Carbon Steel only):

(Please note - sized below refer to the large end when dealing with Swage Nipples)

1 1/2" and smaller sizes  
2" and larger sizes

List plus 30%  
List plus 20%

### SWAGE NIPPLES THREADED BOTH ENDS & THREADED BULL PLUGS

Black or Unplated

List plus 10%

### HOT DIP GALVANIZING AVAILABLE

Price on application

### GROOVED ENDS

One end + 5%; Two ends + 10%

### COMBINATION ENDS

Swage Nipples with different schedule or wall thickness on each end, use price of heaviest wall plus 50%

### SPECIAL LENGTHS OF SWAGES AND BULL PLUGS

Shorter than regular, or  
50% longer than regular  
51% to 75% longer than regular  
76% to 100% longer than regular  
Over 100% longer than regular length, add 10% for each additional 2" or fraction thereof

Add 40% to net price  
Add 55% to net price  
Add 80% to net price

### FEMALE SWAGE NIPPLES

Price on application

### TAPPED BULL PLUGS

2" and smaller  
2 1/2" thru 4 1/2"  
5" O.D. thru 10 3/4" O.D.

Add to list \$ 14.89  
Add to list \$ 23.74  
Add to list \$ 45.38

### MILL TEST REPORTS

Available on request

### MATERIAL CERTIFICATIONS

Available on request

### SHORTAGES:

Claims for shortages or erroneous charges must be presented within thirty (30) days from the date of receipt of material or they will not be allowed

### SPECIALS:

Orders for special sizes or materials are NOT subject to cancellation or return

### RETURNS:

No material will be taken in return, credited or replaced without Manufacturer's Authorization

### SHIPMENT ROUTING:

We reserve the right to route shipments to obtain the lowest applicable freight rate

### OIL COUNTRY EXTRAS

Swages Nipples and Bull Plugs longer or shorter than standard - Price on Application

API long threads and left hand threads - Price on Application

Tapped Bull Plugs - 1/4 & 1/2

2 3/8" O.D. and smaller add \$14.89 to list

2 7/8" O.D. thru 4 1/2" O.D. add \$23.74 to list

Larger than 4 1/2" O.D. add \$45.38 to list  
P.O.A.

Tapped Bull Plugs - 3/4 & 1

### CASING NIPPLES "EXTRAS"

Add 50% to list prices for all casing nipples with other than current API thread specifications,

For combination casing nipples, add following for each thread

	Comb. Thread	Long Thread
Sizes up to & including 6 5/8" O.D.	\$77.27	\$89.46
7" O.D. to & including 10 3/4" O.D.	\$95.99	\$108.76
Over 10 3/4" O.D.	\$138.02	\$142.37

For N-80 material - Add 25%. All other material - P.O.A.

### COMBINATION THREADS:

For combination threads upset both ends, or non-upset both ends, add the following prices:

SIZE INCHES	ADD TO PRICE
2 3/8" O.D.	<b>\$22.57</b>
2 7/8" O.D.	<b>\$22.57</b>
3 1/2" O.D.	<b>\$30.77</b>
4 1/2" O.D.	<b>\$46.00</b>
